Communication is a must

- Automatic notifications and reminders reduce the need to send emails
- When needed, an internal messaging system and updated mailing lists are available

As well as a Forum

That's all (for the moment)

- This was only a quick overview

- We are available to give you more details, through documents, free trials and demos

- Try it yourself: use it for your next proposal preparation, free of charge

- Special offers and Framework Agreements are available

- Contact us for a live demo
